

Hockey Committee Meeting

September 21, 2009

Members present: Lauri Millot, Fritz Karsnia, Steve Watz, Steve Michlig, Jim Kronberger, Steve Vandervest (@6:40)

Guests: Anna Wisner, Tom Roeser, and the Deterts

Called meeting to order at 6:00

Michlig requested \$1000 from the Kiwanis Club and should hear from them in October

Agenda items:

1. "Learn to Skate" coaches/"In-house" coaches
 - Michlig will have six names for "In-house" coaches next meeting. There was some discussion and confusion between the "Learn to Skate" and "In-house" programs.

2. Splits
 - If any splits are required, they will be on Sunday November 1st. Times to be determined later. The numbers at the PeeWee level are 19 and Coach Roeser is in favor of a split. Squirts are at @16. Mites/In-house are @ 33 and an "A" and "B" team will be determined.
 - Michlig questioned splitting teams with @20 players.

3. Bantams
 - WAHA has approved the co-op with Price Ice. Vandervest had talked to Dennis Lemke from Phillips last week and he said the Price Ice parents were not sure about co-oping. At this point we will wait for Price Ice to decide. In the meanwhile, we need to have a list of area contacts for Bantam age kids

4. Miscellaneous

- For clarification purposes: the Girls program will be a U14 not U16 team
- Next meeting October 12th at 6:00

Motion to adjourn at 6:50 by Michlig seconded by Millot. M/C
