	<u>AGENDA ITEM</u>	<u>DISCUSSION</u>	<u>ACTION</u>	<u>RESPONSIBLE</u>	<u>STATUS/DUE</u>
1	12,000 Puck Club Update	11 kids out of 18 met the goal	Pizza party will be held on 12/5, and each kid will receive a jersey. Kids will also be recognized at the boys high school game on 12/13. A sign will be hung in the rink somewhere.		
2	Overview and Results of Hockey for Free	2 girls coming onto the Girls U-14 team. Fritz received 12 equipment checklists and Brett had 5 more. USA Hockey contacted Fritz because our numbers were so good.	Next year need to look at better organization with volunteers to explain registration and answering questions		
3	Nonregistered Players on Ice During Practice	Rules have to follow student coaches. The decision is at the discretion of the coach, and they can make practice time decisions to offer nonroster players ice time.			
4	Coaching Modules Action if Coach is ineligible	USA Hockey states go by district policy, but we should be checking the website. Need to discuss by January 1st. Brett assumed this would be like a coach not being certified	Tabled until december meeting

5	Review Game Schedules	<p>Squirt B have 12 games and a home tournament. There is a concern with games scheduled within a 60 mile radius. There is also a concern with scheduling B games with towns in that radius that only have one team. Squirt A is traveling to Point, Mosinee. Lakeland and Eagle River will not schedule games with RIA. There is also a question if the 60 mile radius is appropriate anymore, what if teams are scheduling a double header</p>	<p>Fritz will contact Lakeland. Tom will contact Eagle River. If they will not schedule games with RIA teams, RIA will look at getting the district involved. They are mandated to play 1 home, and 1 away game with each team in their district. Board voted and approved a motion stating "Exception for travel restriction may be exceeded for 2 games or regional games".</p>		
6	New Coaches Coming In	<p>New coaches coming in must go through the Hockey Board. The coaching application deadline has passed . The RIA Hockey board does not approve assistant coaches only Head Coaches, Hockey board just needs to know which coaches were selected</p>

7	Responsible for Contacting Game Scheduler	There are canceled games this weekend. The canceled games did not go through Ann Marie	Coaches must go through Fritz, Tom, or Ann Marie to cancel scheduled games		
8	Game Changes & Referee Purposes	RIA only has 11 officials for Rhineland (4 adults, 7 high school students or younger)	Need to streamline the process of canceling games a little better so officials are better informed (see discussion for topic 7).		
9	Team Parent Responsibilities	Couple of questions came up with the concern about the team parents role. Brett has a sheet outlying role of team parents. Brett had a problem with a team at the rink that needed a parent in the locker room for supervision.	Locker room supervision is parent's responsibility.		
10	Blue Line Club Donation	Waiting to see if we get money from Kiwanis	Fritz is going to take both donations to buy dividers for Mite-In-House		
11	Grant	Still in the process, USA Hockey Grant application submitted. Moey will be utilized for facility improvements			
12	Next Meeting	Sunday 12/4 7pm
