6	Hockey for Free	<p>Coaches at hockey meeting for all coaches to be present. Need to organize having volunteers present. Smooth transition for people to come in and get their equipment on waivers completed, and having parents come into locker room, and having high school players involved to volunteer to demonstrate putting equipment on. The fourth day is Halloween so the day will be canceled. Talk with parents so they can expect how they can see things going. Run into problems with players already being in the association on the ice. Should not need a coaching card for the event. High school players would need to be high school hockey registered. What roles we are going to need for the first and second night. 400 associations are doing hockey for free. Need 4 people in locker room (3 in boys 1 in girls).</p>	<p>Tentative meeting for 23rd of October for those interested at 6pm. Fritz will ask Brett to send email to RIA members to generate volunteers for Hockey for Free.</p>
